If you cannot locate a contractor that suits your needs from this list and would like a full list of participating vendors, please contact Bob Macauley (contact number below).

Are you a missing contractor from our list who has submitted Xcel Energy rebates? Call Bob Macauley at 303.294.2675 for updates on the list or to find out how you can become a heating efficiency participating vendor!

The contractors you will find on the following link have met certain criteria which allow them to offer rebates to our customers. Xcel Energy does not expressly or implicitly guarantee or warrant the work of the contractors listed. It is solely your decision to choose the appropriate contractor for any work you choose to have done relating to the rebate program.

Xcel Energy reserves the right to refuse payment and participation if the account holder or contractor violates program rules and procedures. Xcel Energy is not liable for rebates promised to an account holder as a result of a contractor misrepresenting the program. Xcel Energy does not expressly or implicitly warrant the performance of installed equipment (contact your contractor for detailed equipment warranties).
