## Colorado Clean Water Pumps rules and requirements

### Qualifying customers

The Clean Water Pumps program is available to Xcel Energy electric business customers in Colorado. Xcel Energy offers cash rebates to customers for new and upgrade pumps from 1 hp to 200 hp when they meet or exceed the energy efficiency qualifications.

### Modification

This program's rules, requirements and offer are subject to change at any time. The changes will be posted on [xcelenergy.com/Rebates](https://www.xcelenergy.com/Rebates), and the program will provide up to 60 days notice of cancellation.

The customer is responsible for checking with the Xcel Energy Business Solutions Center at 855-839-8862 or by email [EnergyEfficiency@xcelenergy.com](mailto:EnergyEfficiency@xcelenergy.com) or visit [xcelenergy.com/Rebates](https://www.xcelenergy.com/Rebates) to determine whether the program is still in effect and to verify program parameters.

### Other information

- Xcel Energy reserves the right to publicize your participation in this program, unless you specifically request otherwise.
- Xcel Energy reserves the right to refuse payment and participation if the customer or contractor violates program rules and procedures. Xcel Energy is not liable for rebates promised to customers as a result of a contractor misrepresenting the program.
- Xcel Energy will issue a rebate in the form of a check, direct deposit, or a utility bill credit.
- Xcel Energy is not responsible for any lost, late, stolen, ineligible, illegible, misdirected or postage due mail. All completed submissions become the property of Xcel Energy and will not be returned. Warning: Fraudulent submission of this form may result in federal prosecution for mail fraud under 18 USC sections 1341, 1342.
- Xcel Energy reserves the right to conduct a random audit of your project before or after issuing a rebate. The customer agrees to provide reasonable access to inspect the installation. Audits may be performed up to one year after the date of the rebate application. If Xcel Energy finds that the application does not comply with Xcel Energy rules and qualifications, any rebate amount may be adjusted, denied or subject to return.

### How to apply for rebates

1. Fill out the rebate application. Please note the application Rules and Requirements section and efficiency standards.
2. Submit forms to your account manager (if applicable), or email to: [EnergyEfficiency@xcelenergy.com](mailto:EnergyEfficiency@xcelenergy.com) (preferred). You can also apply online using our digital application.
3. Or, apply online with the digital rebate application.  
**[https://www.xcelenergy.com/digital\\_application](https://www.xcelenergy.com/digital_application)**
4. Invoices dated 4/1/21 or later have 24 months to apply for rebates.

### Warranty information

Warranties are between the customer and the equipment manufacturer(s). Xcel Energy makes no warranties, expressed or implied, with respect to equipment operation, material, workmanship or manufacturing. Xcel Energy does not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program. In no event shall Xcel Energy be liable for any incidental or consequential damages. Xcel Energy is not responsible for the disposal of motors replaced as a result of this program.

**Please allow up to eight weeks for rebate check to arrive.**
